Adopting & transposing ECPC cancer policy on national level: IOP portal – Pancreatic cancer awareness

Knowledge is power

ELLQK

HELLENIC
CANCER
FEDERATION

Powerful & documented voice of cancer patients & survivors

ELL.O.K. informs cancer patients & clinicians about immuno-therapies in cancer

3

- Translation of the IO portal in Greek
- Presentation of the IOP in oncology conferences in Greece and abroad
- Creation of a guide to the IO portal in Greek language
- Dissemination through cancer patient organizations, collaborating hospitals, medical practices
- ELL.O.K. members encouraged to link their website to the IOP

ELLOK worked in close collaboration with its members for transposing the European Pancreatic Cancer policy work of ECPC on national level

Association of Cancer Patients of Larissa

Association of Cancer Patients & Friends of Evros Prefecture

AgaliaZO/Achaia
