Cardio-Oncology Guidelines: Call for patients

Dear ECPC Members,

on behalf of the [European Society of Cardiology \(ESC\)](#) we are inviting you to take part in **the development of the first-ever cardio-oncology guidelines** that will cover cardiovascular complications of cancer therapies.

ESC is looking for cancer patients who **developed a cardiac condition after cancer treatment** to answer 4 simple questions about their situation. The short questionnaire will be shared with you upon request. Please contact us via [email](mailto:paulina.gono@ecpc.org) (paulina.gono@ecpc.org) by **2nd October 2020**.

Kind regards,

October 2020
