

European Cancer Patient Coalition

Do you work with cancer and elderly? Would you like to try a one-year membership to UICC?

The [Union for International Cancer Control \(UICC\)](#) is offering a **free one-year membership for one ECPC member organisation** that works on **cancer and ageing**. The value for 1 year membership is 3000 Swiss francs.

The selected organisation would benefit from UICC's capacity building opportunities and access the broader UICC network. **Click on the picture below to see current opportunities for members** for your information.

Should this be of interest, please send us **your application via email providing us with:**

- **name of your organisation**
- **short introduction** of your organisation (250 words) where you also **answer the following questions** to preliminary assess if your organisation qualifies for the call:
 1. Is your work on ageing part of your statute?
 2. Can you tell us more about activities on cancer and ageing you have done?

If you have any question, please let us know.

Kind regards,
ECPC Team
