The principles of a European Cancer Dashboard: Cancer policy stakeholders converge

On 29 September, at the virtual **European Health Forum Gastein**, ECPC, the European Cancer Organisation (ECO) and the European Federation of Pharmaceutical Industries and Associations Oncology Platform (EFPIA) discussed with MEP Busoi and Sandra Gallina a shared commitment to developing and promoting

TELL US!
Is your organisation struggling because of COVID-19?

The echoes of the pandemic are being felt by several cancer-serving organisations on financial matters and regarding the necessity to reduce staff members. All Member organisations are kindly asked to **let us know if their organisation was affected by the pandemic** by sending a message via [this e-mail](#).

Plan. The Dashboard is suggested as a **vital monitoring and implementation tool** to help underpin the Plan.

How the pandemic has changed cancer screening and care?

We all feel how the 2019 **pandemic has changed how we live, work, and access health care**. It has an impact on many **cancer treatments and outcomes**. Don't forget to help us map the situation in all parts of the EU by participating and disseminating the [ECPC survey on COVID-19 and cancer](#) that is available in all EU languages.
