Reminder: Join the Challenge Cancer Intergroup - the first EU Parliamentary Intergroup on Cancer

Dear Sir/Madam,

The European Cancer Patient Coalition (ECPC) would like to remind you of the opportunity to join the first and only EU Parliamentary Intergroup on Cancer, chaired by **MEP Cristian Buşoi**, and co-chaired by **MEPs Alessandra Moretti, Aldo Patriciello and Frédérique Ries**, with ECPC providing its Secretariat.

About the Challenge Cancer Intergroup

Joining the Intergroup will allow you to engage in dialogue with cancer patients, survivors, carers as well as those involved in the scientific, medical and research fields, creating a two-way communication system where topics such as **prevention, access to treatment, medicine shortage, cancer research**, etc will be discussed in-depth.

The Intergroup can also influence the goals and guide the implementation of the **Cancer Mission, Europe's Beating Cancer Plan** and other European cancer and health related policies.

ECPC will manage the secretariat and collaborate closely with the members of the Intergroup, allowing them access to **real testimonies and patient experiences**, while also allowing citizens to express their needs directly to European policymakers

If you are interested in joining the Challenge Cancer Intergroup or you would like more information, please contact challengecancer@ecpc.org and follow Challenge Cancer on our [Facebook](#) and [Twitter](#) channels.

Warm regards,

ECPC Team
