Update your organisation's details in ECPC questionnaire

We are pleased to announced that we have reached over 450 members. This however comes with the need to organise our member database in a more structural and functional way. We take this opportunity **to update our members' details.** In order to do so, we invite you to fill in the following [questionnaire](#).

This questionnaire will **ensure we have the correct information for all our new and pre-existing members** and it will give us a more detailed view of the various cancer organisations we are representing. It will show us what ECPC can do to help your organisation in the future.

QUESTIONNAIRE

The questionnaire is very **comprehensive. However, you do not have to fill in the entire**

later. We will analyse your answers once the questionnaire is finalised.

We would like to take an advantage of this opportunity to see how we can improve our support towards you. Therefore we dedicated one part of the questionnaire to this purpose.

Please note that the **deadline is 31st May 2020**. We hope we will be able to strength and improve our support and collaboration.

Thank you for helping us to improve.
