Call for Patient Poster Abstracts 36th Annual EAU Congress

Patient Poster Track EAU21

The EAU encourages patient advocates from across the globe to actively participate and contribute to the Annual [EAU Congress in Milan](#) by submitting a poster abstract. The Patient Poster Track provides educational opportunities for patient advocates and HCPs to improve communications and to encourage and promote collaboration, while changing perceptions on both sides.

#EAU21 | patients.uroweb.org **EAU Patient Information**

Do you have compelling patient research insights in urology-related diagnostics, treatments or follow-ups?

Then this is your opportunity to share your knowledge, to participate and to contribute to a meaningful dialogue with experts about what matters to you!

If your abstract is accepted, you will have the opportunity to present your work to the 14,000 medical specialists, HCPs and peers attending the congress.

What do we ask of you?

- Tell us what your research is about
- Tell us about your experiences
- Tell us some of your best practices
- Tell us what the implications are (if any) in terms of:
 - Feasibility of implementation in healthcare professional practice
 - Feasibility to create new healthcare policy based on your project research
- Tell us your conclusion

We offer support in writing, proofreading and editing your abstract or designing your poster. Please contact: e.robijn@uroweb.org

Abstract Submission

English is the preferred language, however, abstracts in all languages will be considered. Presenters must have a command of the English language.

The deadline is **1 February 2021 (23:59 CET)**.
