Vote the Right to be forgotten on the
Conference on the future of Europe Platform

Speak up on unfair treatments in accessing financial services for cancer survivors in Europe.

In 2021, being a Cancer survivor in Europe means experiencing several obstacles, for example, when seeking access to services such as mortgages and insurances.

In this regard, the provision known as [the Right to be forgotten](#) for cancer survivors marks a turning point, empowering cancer patients and promoting social rights and the fight against discrimination.

The Conference on the [Future of Europe](#) represents a unique opportunity to speak up and
