ASSOCIATION OF CANCER
PATIENTS IN FINLAND

Dear Members,

We would like to wish **Happy 50 Years Anniversary** to the Association of Cancer Patients in Finland.

The organisation was founded in 1971 to advocate for the rights of cancer patients. Ever since, the aim of the Association is to safeguard the best possible support for cancer patients and their loved ones during treatment and rehabilitation.

The association represents the patients' voice and promotes patients' interests. They publish guide books for patients on different cancers and quality of life topics which are always based on reliable, scientific

constantly develop itself and in recent years has done so by introducing for example EUPATI (Patient Expert Training Programme) to Finnish patients and by strengthening patient involvement in Finland.

The jubilee in 2021 has been celebrated with a writing prompt with the European Code of Cancer Practice as its theme. Several webinars have also taken place, mostly focusing on cancer research and the future of cancer care as well as the quality of life aspects of cancer survivors.

The European Cancer Patient Coalition is grateful for our collaboration and we are looking forward to fostering cooperation and strengthening our relationship through joint activities and shared good practices.

Thank you and Happy 50 years' Anniversary to the Association of Cancer Patients in Finland!
