EXPLORE AND DEVELOP UNCHARTED TERRITORIES

Dear Partners,

We warmly invite you to attend the online event **"Cancer and Quality of Life: Overview of some unmet needs of life after cancer diagnosis, treatment, and survivorship"**.

The webinar seeks to offer an overview of the key issues concerning Quality of Life during cancer treatment & survivorship in Europe and suggest proposals to improve the quality of life for cancer survivors in the European area.

November 2021

24

**REGISTER
HERE**

Join us to the discussion about the issues linked to the effects of the treatments, including cancer complications and comorbidities, the psychological aspects, and the impact of socio-economic life of cancer survivors, the value-based care options to improve quality of life during treatment and survivorship, and then the discussion will be linked to return to work of cancer survivors and the Right to Be Forgotten.

The event, which is organised by the European Cancer Patient Coalition (ECPC), ALCIMED, and the European Parliamentary Intergroup “Challenge Cancer” will take place on **Wednesday 24th of November 2021, from 15:00 to 16:00 CET** via Zoom.

REGISTRATION REQUIRED!
