Global bladder cancer patient and carer experience survey

Dear members,

We are reaching out on behalf of the [World Bladder Cancer Patient Coalition \(WBCPC\)](#). **We would like to bring your attention to the [Global Bladder Cancer Patient and Caregiver Experience Survey](#).**

WBCPC launched the first-ever [global bladder cancer patient experience survey](#). **Patients and caregivers are invited to respond to the survey, and share their care experience in this anonymous 20 minute questionnaire.**

Global bladder cancer and carer experience survey

[This survey](#) aims to collect bladder cancer patient and carer experience data help to **identify what is important to them with the aim of improving patient outcomes**. WBCPC counts on European Cancer Patient Coalition members and their communities to help capture the experience of people affected by bladder cancer in Europe.

The survey covers the entire bladder cancer patient pathway – from symptoms, screening, diagnosis, treatment and care, through to follow-up and survivorship. It is currently available in

Arabic, English, French, Italian, Japanese, Portuguese, Spanish, Hindi, Norwegian, Polish and Russian.

Information about the survey and the dissemination tools

WBCPC invites you to share the survey with your network, colleagues and patient communities in your country or directly with any people directly affected by bladder cancer. You can also download and use WBCPC multi-lingual dissemination tools including content for social media, newsletters and website articles.

Best regards,

ECPC team.
